DOGS PROFILE

Our dogs are bred and trained at our Dog section under the care of well trained staff. Our range of breeds consists of the following:-

BOERBOEL, ROTTWEILER, MALLNOISE, GERMANY and LABRADOR.

A group of police officers in blue uniforms and caps are standing in a line outdoors. They are positioned behind a yellow text box. The background shows trees and a paved area.

COMPLEMENTARY TRAINING

Following the rise of insecurity in the country, most citizens don't know what to do before, during and after a major security incident. Through our Dog department we offer basic security awareness training to corporate staff, management and the general public upon request

Our training is based on personal / domestic / nanny and travel security and is tailored to incorporate lectures, video presentations and case studies of recent trends. With the state of the art training methods of our working dogs and handlers we enable us to offer our clients with superior services.

Our Dog handlers are carefully recruited from the highest ranks of the backbone of Kenya's Law enforcement, military, counter-terrorism units to ensure our operations display excellence in all aspects of detecting explosive and narcotics. We are confident that shall serve all our clients with no disruptions operating 24/7 meeting our client's needs.
